

DALLAS-FORTH WORTH

The Dallas-Fort Worth Metroplex is an area sprawling and vast.
Its number of museums and universities
is completely unsurpassed.

Fort Worth has the Stockyards, while
the JFK memorial brings a tear,
and Big Tex waves a welcome at
the State Fair every year.

Cowboys, Rangers, Mavericks—
there's a team for every fan;
Dallas-Fort Worth sports are
known throughout the land.

Now let's travel through the Blackland
Prairies along beautiful I-20.
We're heading down to Tyler,
where roses bloom aplenty.
