

Named after Saint Anthony by
a Spanish expedition,
San Antonio is famous for
its many missions.

At the Alamo, they fought for freedom day and night.
Now it and four other missions are a UNESCO World Heritage Site.

The River Walk is for strolling; at
Spurs games, people cheer.
For Fiesta, people gather to
celebrate each year.

On through Ozona, Balmorhea, and
Van Horn does I-10 thread;
the westernmost city in Texas is
where we now will head.
